English Indoor Rowing Championships

On Sunday 31st January, three Year Six boys went to Manchester with Mr Rowe to the English Indoor Rowing Championships. Bradley Smith came 4th and rowed 447m, James Norris came 5th and rowed 441m and Daniel Ward came 15th and rowed 440m. The competition attracted 400 competitors from the UK, who rowed all different lengths. There were men and women, a juniors group and 12 to 15 year olds. Well done boys, you made us proud!

Half Term Film!

The film this half term is **Goosebumps**, which has the rating of PG. I went to see it and would definitely recommend it if you are in KS2.

SPOILER ALERT!

In this film, a creepy man pretends to be somebody else but in fact it was the author of the books (R.L.S.Stine). A boy opens a book and all the monsters come out of it. They then have to make another Goosebumps book that would magically make the monsters return to their own worlds.

I rate this film: 5 stars It's a mind blowing film.

Internet Safety Day

On the 9th February 2016 it was Internet Safety Day. We had a special assembly led by a community support officer. She came to talk about social media and how it can be dangerous giving us ideas on how to keep safe. She explained that you need to be thirteen to have social media sites e.g. Twitter, Facebook

even though some people have it already. The internet is like a coin because it has two different sides– on one side it is educational and helpful; however, on the other side it can be dangerous. You must use the internet safely.
